Public Records Requests

Palm Beach County operates under transparency in accordance with the Florida Sunshine Open Records Law. The Public Records Coordinator in Public Affairs ensures requests are processed through the proper departments under the Board of County Commissioners. As shown in the boxes below, several Departments and Constitutional Offices handle their own requests.

If you are seeking any of the records listed below, please contact these offices directly.

Career and Transfer Outlook

This recommended AA Plan prepares students to continue their career pathway to a bachelor's degree program at PBSC or another state of Florida public college or university. Since institutional pre-requisites may change, please consult with your PBSC Academic Advisor to ensure all entry requirements are met for the transfer institution and program of your choice (e.g. minimum GPA, limited access, and additional requirements or pre-requisite courses).

Success!
